KASHMIR WITH JUNGLE LORE

ABOUT KASHMIR

Aptly known as the Paradise on Earth, Natural beauty adorns this valley. A typical oval shaped valley at an average altitude of 5000 feet. Kashmir offers many delights to the visitor of all kinds. Whether it's a romantic getaway you are looking for or an adventure destination you want to explore, the valley serves all.

The culture that sinks in and the people that roam the valley make for an interesting story for a photo junkie. Terrorism at its minimal, and the JnK tourism doing all it can to promote the Switzerland of India, a trip to the valley will be worth every penny.
